

CLIPS PER SOLANACEE E CUCURBITACEE
CLIPS FOR SOLANACEAS AND CUCURBITACEAES
PINZAS PARA DIFERENTES TIPOS DE INJERTO
PINCES POUR LE SOLANACEES ET CUCURBITACEES

Grafting clip made in silicone for medical use for solanaceae and cucurbits. Thanks to its flexible material, this clip can adjust to any dimension and to every phase of the growth of the grafted plant; moreover, its peculiar transparency helps the grafting workers, which provides you with an excellent result. You will find this clip in several diameters.

CODE	CLIPS DIMENSIONS mm	HOLE DIAMETER mm	PACK pcs	PACK WEIGHT kg	PACK DIMENSIONS cm	Picture
